

kredXEarly

PROFITS THROUGH EARLY PAYMENTS

Would it help if...

your invoices' credit period shrinks from 45+ days to 2 days?

1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31	32	33	34	35
36	37	38	39	40	41	42
43	44	45				

1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28

Seed Funding
**PRIME VENTURE
PARTNERS**

Series A
**SEQUOIA CAPITAL
INDIA**

Invoices from

60+

Corporates have been listed on our platform till date

Over

70,000+

Invoices Discounted till date

KredX Early : Snapshot

Cutting edge technology through seamless integration with ERP at your fingertips

“KredX offers on-demand cash flow improvement as opposed to old standing cash discounts”

Cloud Architecture

Relationship Management

Cash Flow Management

Vendor Discounting & Query Resolution

Vendor On-Boarding & Training

Fast Implementation

Online self-serve model

Digital documentation process

Electronic signing of documents

How it works

Vendor fulfils order & sends invoices to Infiniti Retail (Croma)

Post verification, Infiniti Retail (Croma) uploads the invoice on KredX Early platform for vendors to bid for early payment at a discounted rate. Subsequently, vendor offers discount through online portal

Infiniti Retail (Croma) compares bids and makes early payment on selected discounted invoices

Vendor receives early payment without any paperwork and hassle

Next Steps

- Enterprise will create a vendor account for your company on KredX Early.
- You will receive an email with login details once your account has been created on KredX Early.
- Authorized signatory from your company is required to login and complete onboarding formalities (Upload KYC, etc.). **Onboarding is a ONE TIME process!!**
- Enterprise to launch a session with your outstanding invoices.
- You can offer discounts for early payments on your invoices and receive payments if your offer is accepted by the corporate.
